11. ***Application for an e-visa on website not earlier than 20 days and no later than 4 days*** before the intended date of entry into the Russian Federation.

12. Applicant passport must be valid for ***at least 6 months from the date applied*** and the passport must have ***free space*** for border crossing stamps.

13. Foreign citizens who have arrived to the Russian Federation with e-visas are required to have a ***medical insurance valid in the Russian Federation's territory for the entire period of stay***.

E-visa application procedure

1. To start a new application, click the "Proceed to Fill in the Application" button on the https://evisa.kdmid.ru

2. To continue filling in, edit, review or print the completed application choose the "Retrieve application" menu item.

3. Enter Applicant personal e-mail address and confirm it, then enter password for this site and confirm it.

4. Write down or print the Application ID displayed in the top right corner of the page. It will be required to continue the application if the session has been disconnected. To save the draft application, click the "Save the Draft" button. The e-visa application form will be available within 30 days since its last save.

5. Proceed to fill in the fields of the application. Follow the tips on each page of the application. Fields marked with an asterisk (*) are required. If any errors while filling in the form or have not filled in the required fields, they will be highlighted and a message will appear under them indicating the error need to fix.

6. Upload the Applicant's digital color photo in the JPEG format. The photo must meet the requirements.

7. Click the button sending the application and wait for the confirmation of its acceptance for processing.

After sending application:

Applicant can use the site to follow up on the status of application. Once a relevant decision is taken, the status of the application will be changed to "Visa issued" or "Visa denied". Applicant will be able to download a PDF file with the information concerning the decision on the application thereafter. Automatic messages concerning the status of your application and the decision thereon as well as detailed instructions for further steps will be sent to your personal e-mail.

Download and print the notification with your e-visa. Otherwise, save the information set out in the notification, so that applicant could visually present it to representatives of a transport company when getting on a vehicle and passport control officers at a national border checkpoint when entering the Russian Federation.

IMPORTANT NOTE: Do not save the PDF file with the result of application examination on the computer that can be accessed by those who have no permission to view or record the applicant personal data. If applicant save the file to the hard drive of a public computer, for instance, in an Internet café or a library, other users may find and open it.

If applicant have not received a notification of e-visa grant or e-visa refusal within four days, applicant can apply for a visa as per standard procedure at a diplomatic mission or consular office of the Russian Federation.

ATTENTION! Notification of e-visa grant does not guarantee entry into the Russian Federation. Applicant can be denied entry at a border crossing point should the circumstances referred to in Federal Law No. 114 FZ "On the Procedure of Exit from the Russian Federation and Entry into the Russian Federation" of August 15, 1996 arise.
